

## EDEN-ROC KIDS CLUB

Our Kids Club will be pleased to welcome your children from 10am to 1pm and 3pm to 7pm every day. We offer tailor-made activities and theme days, carefully adapted to the needs, ages, and wishes of each child. Additionally, our team of talented pastry chefs will prepare a delicious snack for the children. To make your family's experience even more enjoyable, the restaurant Giovanni's is offering earlier opening hours to welcome kids and babysitters with a special kid-friendly menu starting from 6:30 pm for dinner from June 22nd to September 1st included.

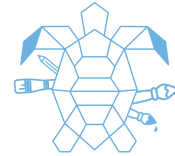

Enclosed is an outline of the planned activities for the Kids Club:

### THE CIRCUS APPRENTICES

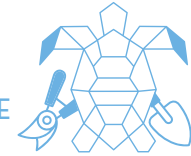

Welcome to the magical circus tent! Are you ready to discover the wonders of the circus universe where you can become real performers?

### GREEN KIDS

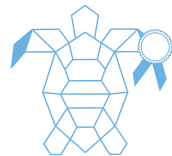

Committed to sustainable development, the Kids Club offers activities that raise children's awareness of environmental protection with: wooden games, an eco-friendly mocktail workshop, etc.

### ARTISANS OF PARADISE

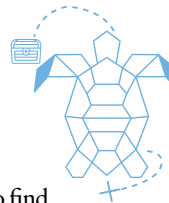

Whether through the discovery of the surrounding nature, awareness of ethical values, or culinary art, the Artisans of Paradise share their know-how with children: cooking classes, staff riddles, etc.

### SPORTS CHALLENGE

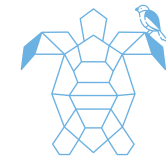

Children can discover team or individual sports such as football, basketball, volleyball, tennis, or mini-golf. They can practice their skills as a team and make new friends while having fun.

### TREASURE HUNT

Children play in teams to find hidden clues in the hotel gardens, solve puzzles and riddles to find the treasure that has been a part of the history of Hotel du Cap-Eden-Roc for years.

### THEME DAYS

Kids will receive costumes based on a particular theme, such as carnival, medieval, or Olympics. They can then participate in activities and games related to the chosen theme.
