Intimate stay within the villas of Château Saint-Martin & Spa and its surrounding villas

Vence, April 2024

Château Saint-Martin & Spa promises its guests the perfect blend of intimacy and conviviality with its villas and bespoke palace services.

Six villas known as the Villas du Château, were created in 1960, two of them have been equipped with an outdoor pool and a hot tub. This season is also marked by the arrival of three new villas in the hotel's portfolio, *Château Villa Rental*.

Villas du Château

Renowned for its idyllic location nestled atop the hills of Vence, Château Saint-Martin & Spa is home to six private villas offering guests the opportunity to escape to the French Riviera, whether with family or friends. Featuring one to three bedrooms, the villas were renovated in 2018 and 2019, revealing all the contemporary comfort within a refined and luminous decor.

Guests of the villas have a dedicated butler to fulfill their every desire. They also enjoy privileged access to the hotel's amenities: indulging in culinary delights at the two restaurants, lounging in a cabana near the pool, indulging in spa treatments in the villa, or even hiring a private chef for an evening.

This year, Villa Saint-Martin, with three bedrooms, a true haven of comfort and refinement, unveils a sparkling outdoor pool. Measuring 5 meters length, 3 meters width, and 1.50 meters depth, the pool embodies the very essence of well-being under the azure sky. Surrounded by a sun-drenched terrace, it invites moments of relaxation.

Just a few steps away, Villa Riou, including one bedroom, a haven with an intimate atmosphere, reveals its own hidden treasure: a sumptuous hot tub. Nestled in a peaceful corner of greenery, this relaxation sanctuary, measuring 2 meters diameter and 80 cm depth, offers an incomparable sensory experience.

Near Saint-Paul de Vence, Villa Saint-Paul is nestled in a prestigious and secure estate. Offering panoramic sea views, the elegant property comprises four bedrooms with ensuite bathrooms, as well as an independent studio dedicated to the staff. The landscaped garden features a pool and fruit trees, creating an enchanting setting.

Located in the hinterland of Vence, Villa Bayview, with its contemporary style, spans approximately 400 square meters. Its spacious living areas are an invitation to conviviality and relaxation. This five-bedroom residence presents a modern and refined interior, bathed in light with panoramic views of the sea horizon. The open-plan, fully equipped kitchen promises moments of sharing around gourmet delights. On the upper level, the en-suite bedrooms offer furnished terraces, each revealing a panorama of the shimmering waters of the Mediterranean. The south-facing exposure ensures optimal sunlight throughout the day, enhancing the outdoor dining area accommodating up to 12 guests.

With 261 square meters on a plot of approximately 3000 square meters, Villa La Bastide offers breathtaking views of the sea and the old village of Vence. Located near the Château Saint-Martin & Spa, it consists of five en-suite bedrooms, each with a private terrace to relax and enjoy the landscape. On the ground floor, a large and bright double living room and a dining room open onto a shaded terrace, followed by a fully equipped kitchen with pantry and laundry room.
