DIORIGINELS RITUALS AT DIOR SPA EDEN-ROC

Antibes, May 2024

Two iconic Houses, Dior and Hotel du Cap-Eden-Roc, are united by a shared vision of discreet and authentic luxury to provide their guests with unforgettable experiences. Together, they have created the Dior Spa Eden-Roc, a unique haven nestled in the heart of the hotel grounds, surrounded by nature.

In celebration of this partnership, Dior has developed an exclusive range of treatments for Hotel du Cap-Eden-Roc called the Dioriginels Rituals. These rituals draw inspiration from the four elements that define the hotel: the garden, the sea, the cliff, and the sun.

Imagined for Dior Spa Eden-Roc, these unique and fully customizable treatments are steeped in the Dior Spa's holistic philosophy, inviting guests to align their energies and expand their sensorial horizons in exceptional surroundings.

EDEN-ROC ESCAPE

A true «reset», this ritual is ideal upon arrival for a stay at Hotel du Cap-Eden-Roc. It aims to rebalance and harmonize energies through a massage combined with the application of semi-precious stones selected exclusively for Dior Spa Eden-Roc. Seraphinite, Red Aventurine or Sodalite stones are employed according to individual needs, accompanied by alternating hot and cold temperatures. Body and soul are cradled on a soothing wave of wellbeing.

Face and Body – 2h – €580

BODY ENFLEURAGE

A sensory escape, this new ritual finds inspiration in the hotel's gardens. Shea butter infused with rose petals, jasmine, or mallow is applied as a wrap all over the body through a relaxing massage with gentle or more intense exfoliation, depending on the flower chosen. The skin becomes completely soft and silky, enveloped in an elegant floral fragrance. The face is also pampered. A gentle rose scrub is followed by a cool and soothing facial mask. Body and mind are rejuvenated in this symphony of floral beauty.

Face and Body – 2h – €590

RIVIERA SOLAR GLOW

This treatment is designed for those wishing to indulge in the warm embrace of the French Riviera sun. An exclusive ritual inspired by the new Dior Solar line, it can be enjoyed before sun exposure to maximize the protective benefits or after sunbathing to repair the skin deeply. The ritual begins with a body scrub with enzymatic and mechanical exfoliators and concludes with a rich application of Sublime Oil for a sumptuous, satiny finish. Face and body are illuminated in a radiant glow.

Face and Body – 1h30 – €440

ROC AFFUSION

At the heart of this treatment is the power of water. Wrapped in the warmth of onyx, the body surrenders to the holistic effects of a scrub rinsed off in a jet tub, offering varied pressures and temperatures. In the one-hour version, this ritual is extended with 30 minutes of personalized hydrotherapy massage, incorporating draining, energizing, or relaxing effects, depending on the desired power of the hydro-pressure jets precisely targeted at energy meridians. This therapy soothes the mind and rebalances the body's vitality.

Body – 30 min – €190 / Body – 1h – €370

This range of ritual treatments introduces an authentic and holistic approach to wellbeing inspired by the surrounding nature. Dioriginels Rituals are exclusively available at Hotel du Cap-Eden-Roc, offering a bespoke spa experience in a legendary setting.
