Welcome to Spa Le Bristol by La Mer — a precious escape where beauty meets the science of skincare.

Nestled in the heart of Le Bristol Paris, bathed in natural light and open onto the garden, the spa is a secluded haven where time seems to stand still.

La Mer – Excellence at the heart of every ritual

As Le Bristol Paris' signature partner, La Mer embodies the ultimate sophistication in skincare. At the core of each treatment, its legendary elixir, **Miracle Broth™**, energizes and regenerates the skin, revealing a radiant, firm, and soothed complexion.

A curated collection of exceptional treatments

Alongside La Mer, Le Bristol Paris brings together the finest names in luxury beauty:

LA MER

Created by Dr. Max Huber, La Mer was born from a scientific and spiritual quest around the regenerative power of the sea. Its signature elixir, the **Miracle Broth™**, infuses each treatment with soothing and restorative energy, for visibly rejuvenated skin.

Hydrafacial™

The Hydrafacial treatment detoxifies, regenerates, and deeply nourishes the skin for an exceptional glow. The patented technology cleanses, exfoliates, and intensely hydrates, promising renewed skin.

Bonpoint

On the menu, tender concentrates for the most sensitive skin, inspired by the hypoallergenic, protective, and natural products of the Bonpoint range. Fluid cotton flower creams, oils, or natural serums with delicate orange blossom scents have inspired our expert teams, in close collaboration with Bonpoint, to create exclusive care protocols designed specifically for the well-being of both children and adults.
