

OUR COMMITMENT

LOCAL COMMUNITIES

Since 2017, L'Apogée Courchevel has been committed to preserving the rich cultural and environmental heritage of the region and passing it on to future generations.

COURCHEVEL SCHOOL

Since 2023, we have been working with Courchevel primary schools to create environmental projects and build together a sustainable future for generations to come.

ACHIEVEMENTS

Thanks to your generosity, in 2024, children took part in workshops to raise their awareness of the fragility of our region's wildlife with the global warming.

This year, you can join us to fund new educational installations in the school to preserve biodiversity.
