ACTIVITIES

Cabanas

Reserving your private cabana has been part of a legendary Riviera experience since the 1930s. These secluded sanctuaries between pine groves and the Mediterranean, were created for sunbathing and splashing in the sea. Have a relaxing lunch served in your secluded sea view cabana. Niçoise salads and grilled Jumbo prawns are zested with sea air, homemade sorbets and fruity crushed juices make icy refreshers.

Our are especially delightful for private lunches or a romantic dinner.
